

Welcome dear visitor,

- Please immediately notify the gatekeeper at the weighing bridge of your presence. Follow his instructions exactly and provide your id when requested.
- You will receive an over jacket which has to be worn at all times while on the yard. Please return it to the gatekeeper before leaving.
- Being at the yard is on your own risk.
- During lunchtime it is required to stay in the lunchroom or in the gatekeeper's office.
- It's not allowed on the yard to carry or use drinks in a can.
- Any form of waste has to be filed in the appropriate bins.
- It's prohibited (and dangerous) to leave waste at the yard.
- 24/7 camera surveillance, electronic detection and active security response are in effect on this compound. Recordings will be saved for security and quality reasons.
- The general conditions of Forest Warehouse & Processing are in appliance on all activities on this compound and are available at the gatekeeper's office.
- Access forbidden for unqualified persons, article 461 of Dutch penal code.

**IN CASE OF AN EMERGENCY:
DIAL 314 INTERNALLY OR
010 43 37 314 EXTERNALLY**

Clearly explain the situation:

- Fire / accident / (environmental) calamity,
- specific place on the compound and how many people are affected.

In case of fire assemble at point M (for map see backside).

Dear drivers,

- Please remove any cover or cargo nets from your truck before driving on the weighing bridge.
- Please be available at the gatekeeper's office during the weighing process.
- Only enter the yard with permission of the gatekeeper and follow up his instructions.
- Please stay in your truck while on the yard. Only exit when requested.
- No loading or unloading allowed without the cargo supervisor being present.
- Be aware of falling scrap metal while opening loading doors. Stay clear of the doors and walk back along the side of your truck.
- During lunchtime it is required to stay in the lunchroom or in the gatekeeper's office.
- It's not allowed on the yard to carry or use drinks in a can.
- Any form of waste has to be filed in the appropriate bins.
- It's prohibited (and dangerous) to leave waste at the yard.
- It's forbidden to drive over the yard with opened loading doors.
- Acoustic signaling while driving backwards is strongly recommended.
- While loading or unloading, please stay clear of the main drive ways as much as possible.
